

## **Novo Nordisk International Employees Community (NNIC) & NovoNations**

NNIC gives the international employee the opportunity to network with other international colleagues across the organisation and receive information related to being an international employee at Novo Nordisk and in Denmark.

### **NovoNations**

As Denmark is fond of associations and citizens use them to further develop special interests and social activities, Novo Nordisk A/S also has a number of associations under the Novo Group Leisure Time Umbrella Organisation, under this organisation you will find NovoNations.

The mission of the NovoNations Association is to bring international and Danish employees together to exchange ideas, professional experience and cultural insights in order to strengthen the long-term success of Novo Nordisk in a global environment. Furthermore, NovoNations is an association aiming to promote the professional and social interests of the members.

NovoNations is driven by the members (employees) themselves.
