

This document provides specific guidance pertaining to funding requests to the U.S. affiliate, Novo Nordisk, Inc (NNI), for:

- activities taking place in the United States or
- funding independent medical education (IME) requests awarded to U.S. organizations and/or for mostly U.S.-based audiences

This system allows you to register and submit an application to NNI for funding for IME such as Healthcare Professional (HCP) Education and Patient Health Education, Community and Charitable Giving and Sponsorship requests only.

PLEASE NOTE:

- Corporate memberships, commercial sponsorships (i.e. booths and promotional sponsorships), healthcare professional association sponsorships, roundtables, research support are not supported through this system. Please reach out to your NNI contact or email grantsoffice@novonordisk.com.
- NNI does not provide any non-financial support with the exception of product donations for U.S. diabetes camps.
- For U.S. diabetes camp product donations, please see the link on the prior page or here to download and complete the [Product Donation Form](#). Please follow the appropriate instructions on the form to complete your request.
- Allow a minimum of 45 calendar days for full review of your application. NNI cannot approve an application after the program has occurred.
